Principi

1

tot hom té una
perspectiva única
i valuosa

Principi 2

El pensament influencia
les emocions, les emocions
influencien les accions

Principi

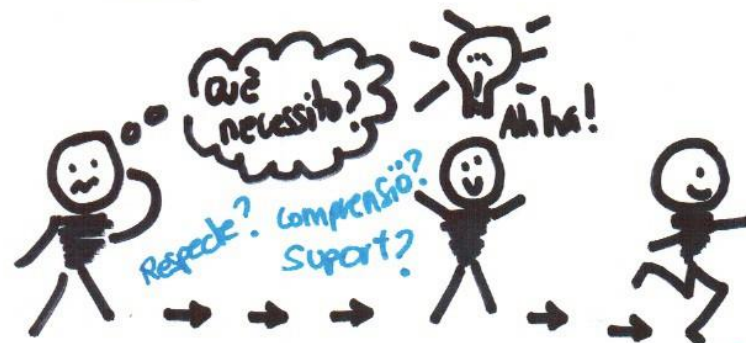

3

tot allò que fem o
diem té un impacte
al nostre voltant

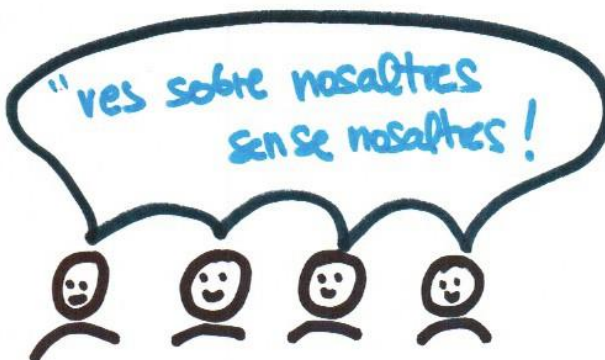

Principi 4

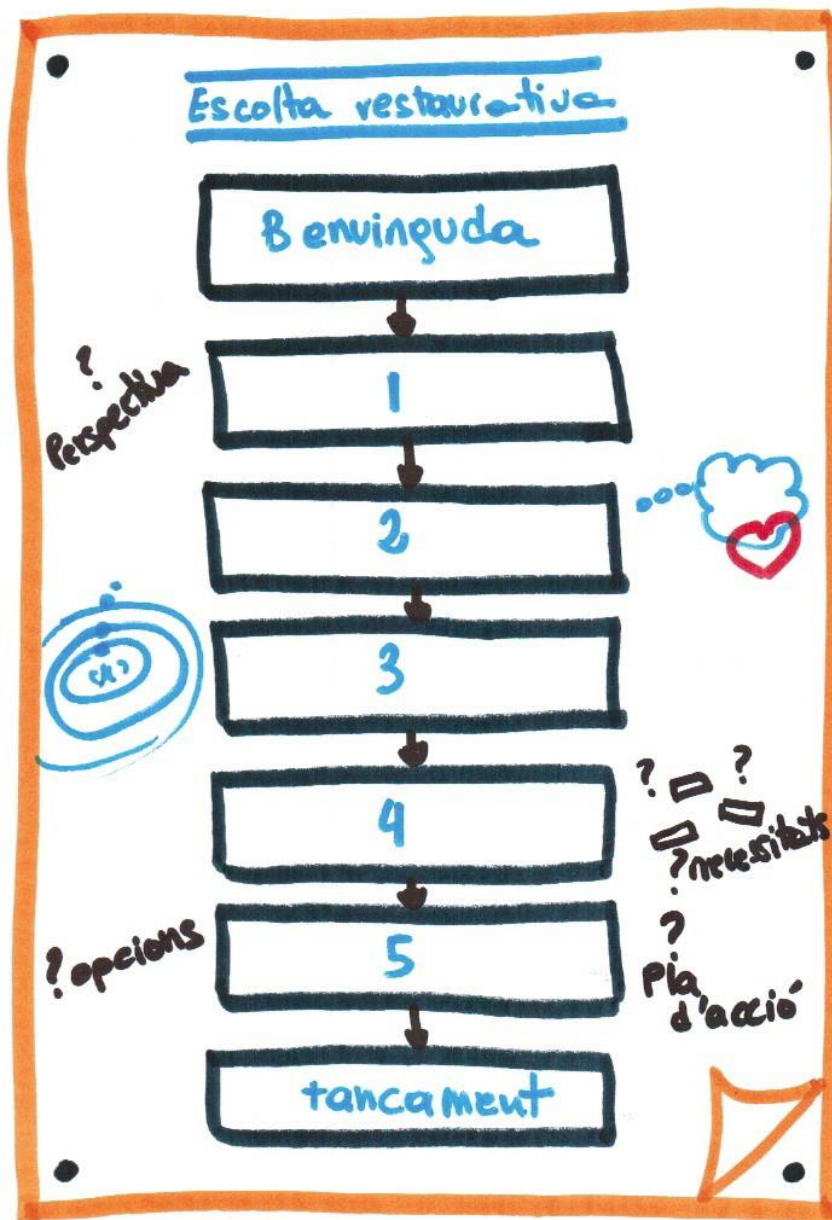

- Quan les nostres necessitats estan cobertes podem donar el millor de nosaltres
- Identificar les nostres necessitats ens ajuda a decidir les accions més útils

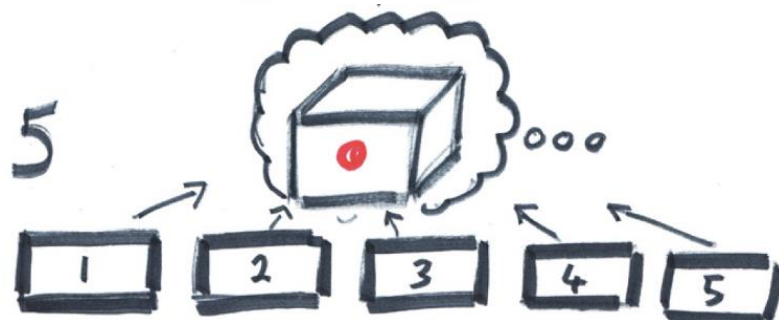

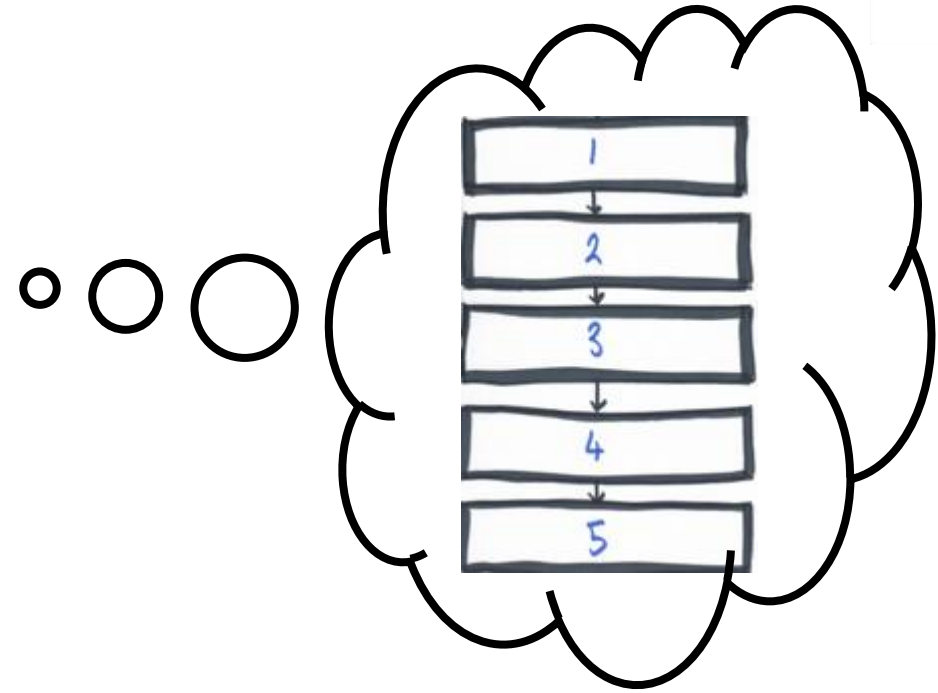

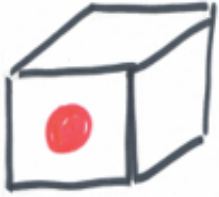

Principi 5

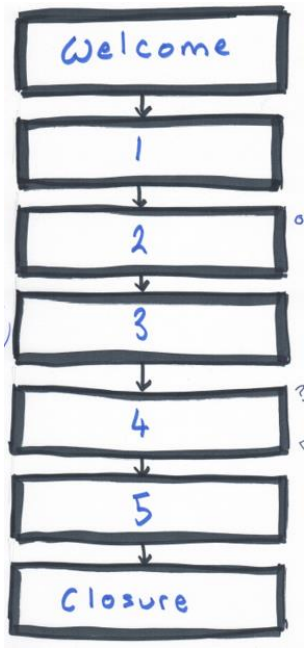

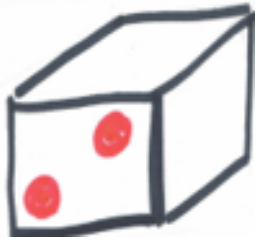

Les persones més afectades
per un problema són les
millor situades per resoldre'l
-cooperativament

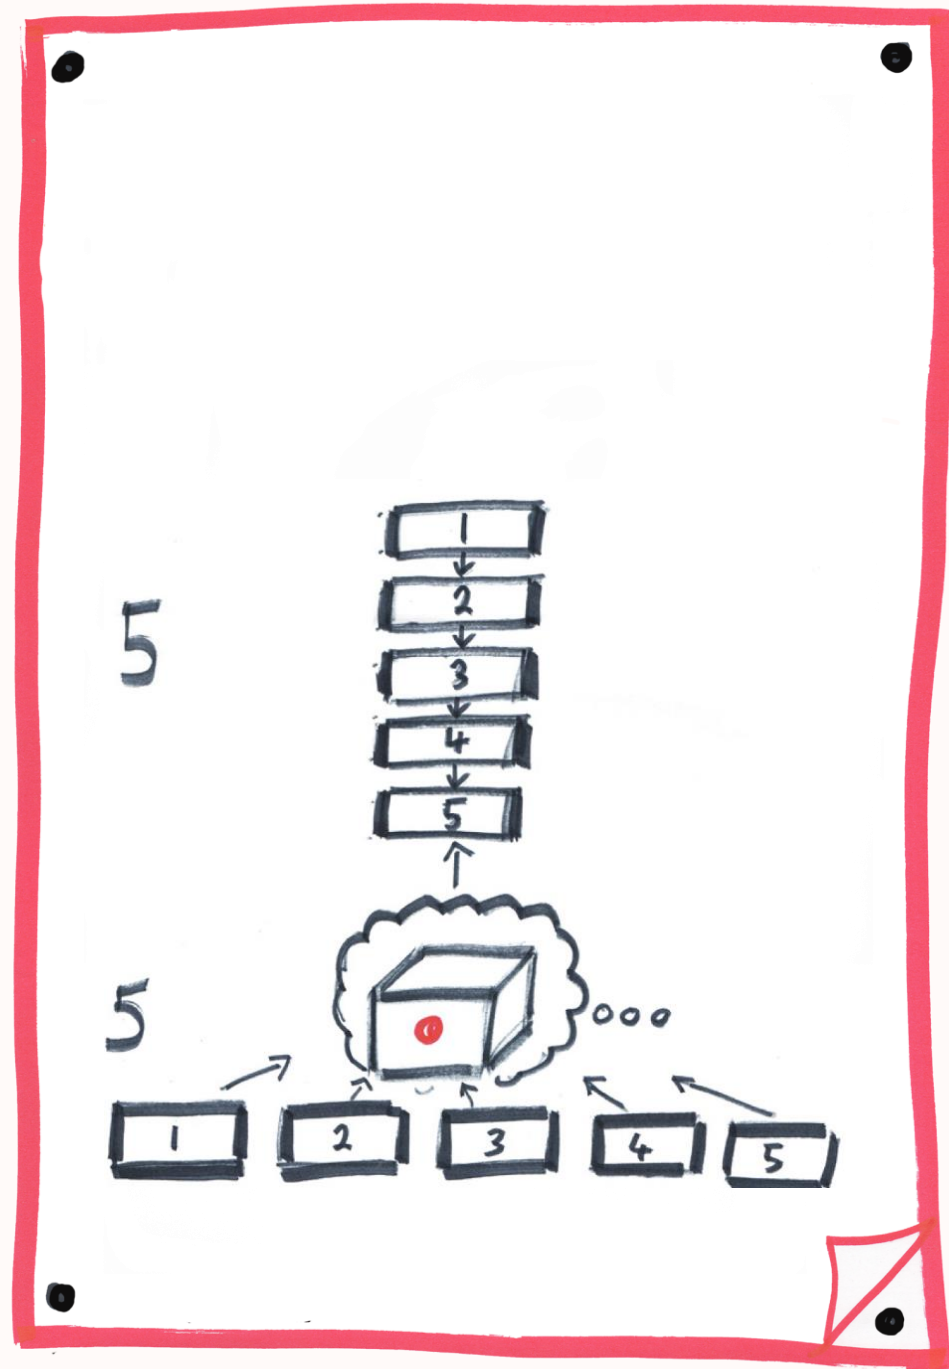

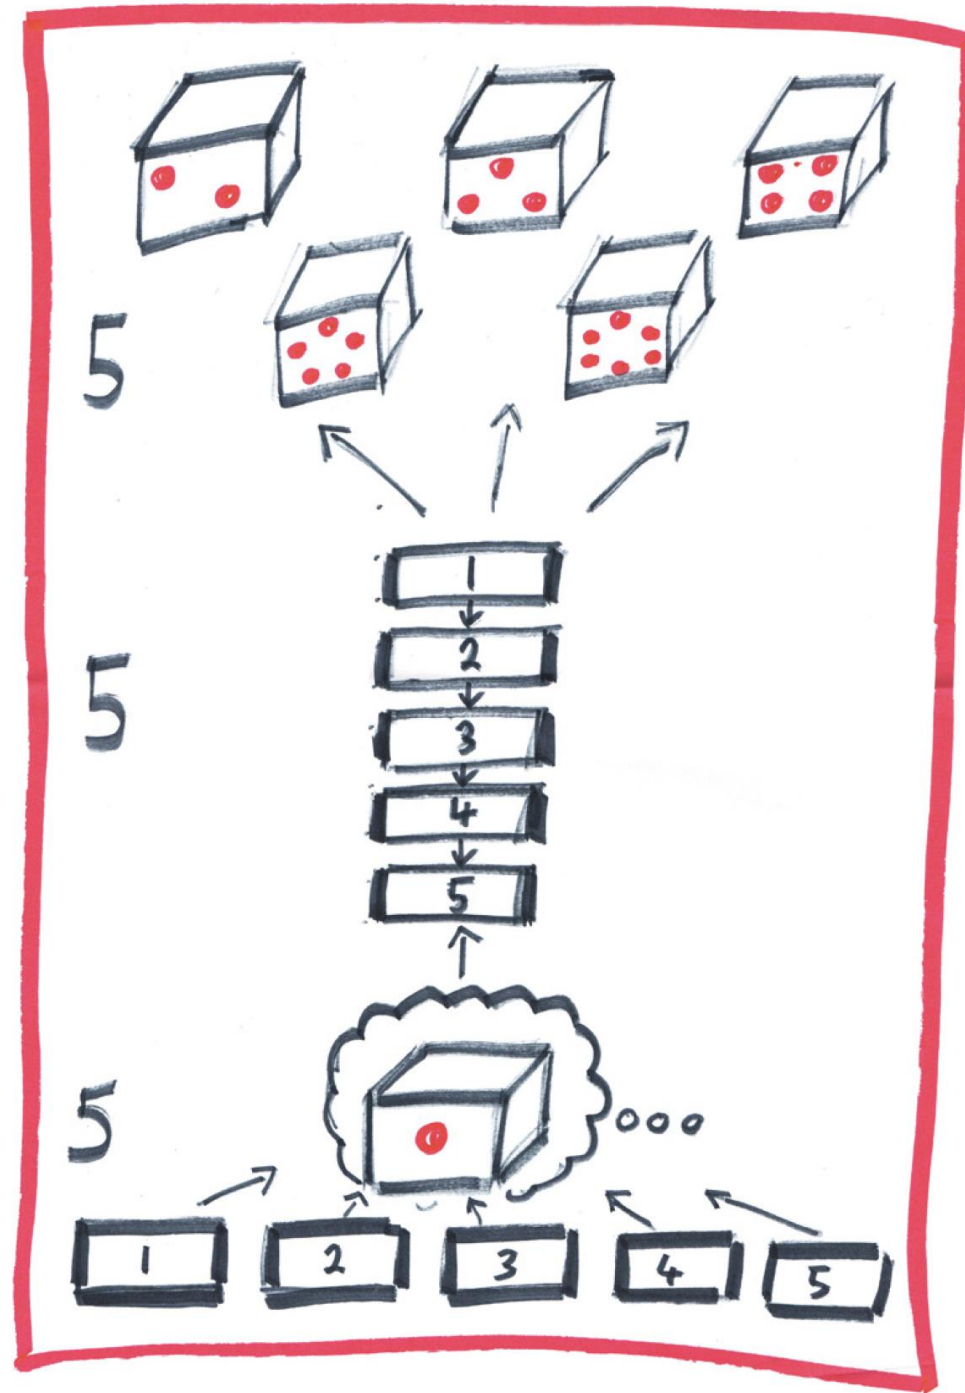

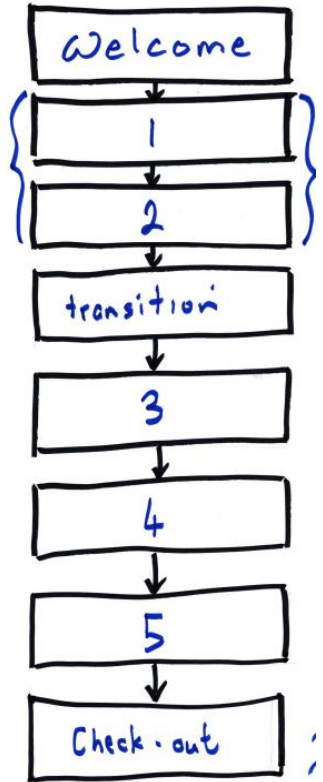

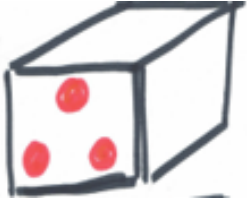

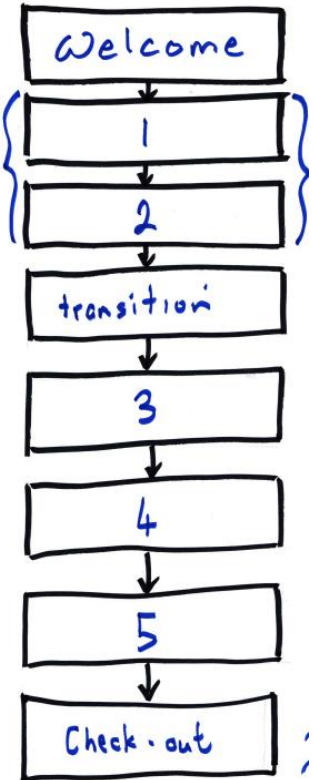

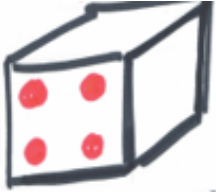

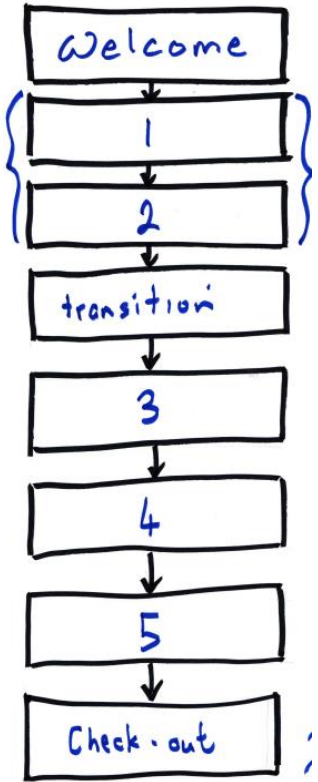

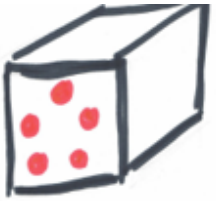

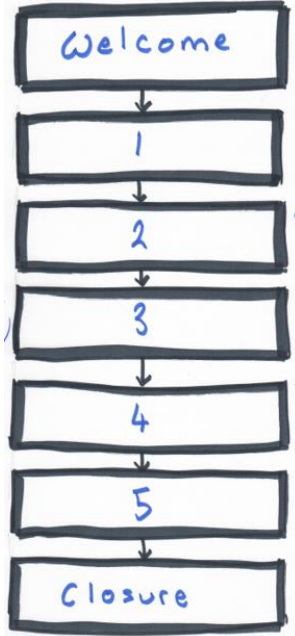

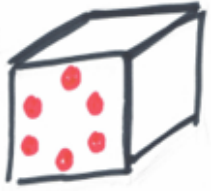

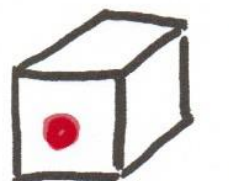

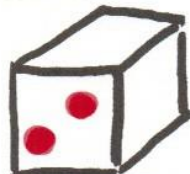

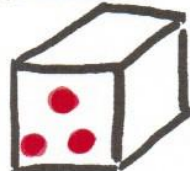

- Mentalitat Restaurativa

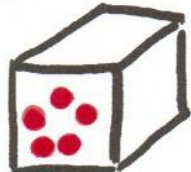

- Escolta restaurativa
+
converses restauratives

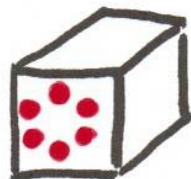

- Mediació
[Petites reunions restauratives]

- Mediació en petit grup
Cercles de resolució de
problemes

- Reunions restauratives
formals

- Cercles Proactius
+ resolució de
problemes

Estudios de caso:

- personal en albergues para personas sin hogar
- círculos de centros comunitarios
- círculos de clubes juveniles
- personal en centros residenciales para personas vulnerables
- residencias de ancianos
- casas de niños
- propietarios sociales

¿Qué significa ser una organización o servicio restaurativo?

¿Qué haría falta para que Barcelona se convirtiera en una provincia restaurativa?
